

**THE ARTS SOCIETY LAVANT VALLEY**  
**Thursday 6th December 2018**  
**Christmas at Beaulieu**

**Motor Museum, Palace House, Beaulieu Abbey and Lunch in the Domus**

The world-famous **National Motor Museum** has one of the finest collections of cars, motorcycles and motoring memorabilia in the world. From legendary F1 cars and land speed record breakers for the speed freaks, to incredible examples of pioneering motoring for the history-buffs.

**Palace House**, once the gatehouse of Beaulieu Abbey, has been the Montagu family home since 1538. It was remodeled and extended during the 1800s and is now a fine example of a Victorian country house. Inside, its ecclesiastical heritage sets the grand gothic tone for a home bristling with character and adorned with family treasures, portraits, and memorabilia.

King John founded the **Abbey** in 1204 and gifted it to a group of French Cistercian monks. It remained an active abbey until it was destroyed in 1538 on the orders of King Henry VIII. This left only two buildings intact: the lay brothers' dormitory, known as the **Domus**, and the Monks' Refectory, now the Parish Church of Beaulieu.
